

Resources

Each of the courses in the science department have a moodle, you can access these through moodle2.yrdsb.ca. The course moodles contain many valuable resources including extension activities, copies of the course packs and handouts, formative assessments, review packages and answer keys. Please ask your teacher for the enrollment key. The course moodle titles are below. Your teacher will give you the enrollment key during class. Remember that the keys are case sensitive.

- BCSS Grade 9 Academic Science
- BCSS Grade 9 Applied Science
- Grade 10 Academic Science @BCSS
- BCSS Grade 10 Applied Science
