School Washrooms

Students are reminded that school washrooms are not to be used for social activities including eating. At the beginning of the year, we introduced school “zones”. The Green zones are areas where students may sit, collaborate, socialize and eat. Yellow zones are for collaborating and socializing. Red zones are spaces such as stairwells (walking through only) and washrooms (bio breaks only). The zones are for everyone’s safety in the school.

Personal Property

The school and the Board are not responsible for lost, damaged or stolen personal items. You can reduce the risk by leaving valuable items at home. Always secure items. More information can be found in the [2023-2024 Guide to the School Year](#).

Student Expectations in the Community

We are lucky to have positive relationships with community vendors. Many students enjoy eating lunch at the Costco food court. Costco has asked if students could please:

- purchase their food and leave once done eating
- use debit and credit as preferred payment methods (for speed of transactions)
- stay in the food court only unless entering the store with a membership card

Following these guidelines will ensure students enjoy continued access to the food court.

Bussing

Bussing is provided to eligible students through Student Transportation Services (STS). STS operates bus routes for students in JK-12 for both the York Region District School Board and the York Catholic District School Board. More information, including daily late bus reports, can be found at www.schoolbuscity.com. Please note, it is important that students ride **only on their designated route**. This is for everyone's safety and security.

School Start Up Forms

School start up forms were sent to families and students this week. Please see the [Resources and FAQs for families](#) for more information. Secondary students received the following message:

School Start-Up Forms (Message to Secondary Students)

Each year, we ask secondary school students to review important school and Board policies and to indicate that they have reviewed this information. Students are asked to [complete this form](#) online. If you have any questions about the information in the form, please speak with your teacher, principal or vice-principal.

It is important that all students complete and submit these forms as soon as possible at the start of the school year.

School Safety

Please be reminded that all visitors to the school must sign in at the main office and get a visitor tag. This tag should be clearly visible while in the building on business. Students are reminded not to bring guests anywhere on school property (indoors and outdoors) as well as to the library during school hours.

Attendance

Students are expected to be in their scheduled classes each period. If you sign your child out of school, they need to leave school property. This includes the library during school hours, as it is considered to be school property during the school day. Please do not give your child permission without calling and giving the office notice for them to be in the library during the day. If your child is going to be absent or away from any of their classes,

please contact the Main Office **email is preferred** - richmond.green.ss.attendance@yrdsb.ca or by phone 905-780- 7858, press option 1. Please let us know your child's student number, full name and grade.

Updating Contact Information

If you need to update any contact information (e.g., home or email address, telephone number, etc.,) please email: richmond.green.ss@yrdsb.ca

Notice From Richmond Green Library

In recent years, we have faced recurring challenges in our library washrooms, including issues such as vaping, eating, and disruptive gathering during school hours. Despite the diligent efforts of both the library and RGSS, it's hard to maintain continuous monitoring due to limited staff availability.

After a thorough review of the situations, the library and RGSS will start to implement new measures to address these concerns. Effective November 9, 2023, the library will enforce restricted access to the washrooms during school hours.

1. Locking washrooms: Both library washrooms will remain locked during school hours.
2. Key sign-out procedure: Students may obtain a washroom key by leaving their student cards at the service desk. Student cards will be returned upon key return. **Only one student is permitted at a time.**
3. Limited occupancy: A maximum of two users will be allowed to enter the same washroom simultaneously.
4. Reporting disruptions: Any disruptive behaviours observed will be reported to both the library and RGSS administration for appropriate action.

We hope these measures will help create a more conducive and respectful environment within our library facilities, and promote a better learning atmosphere for all RGSS students.
