Message from Our Trustee

June 2024

It is hard to believe we are almost at the end of another school year. I hope that this has been a great school year for you and your child, and you continue to see evidence of your child's learning and engagement at school.

As a school board, there are several things we have been focused on in recent months that I want to update you on.

Thank you to everyone who participated in the [Multi-Year Strategic Plan consultations](#). The plan sets our priorities and direction as a school board. Your input will help ensure our plan reflects both the [priorities established by the Ministry of Education](#) and the community we serve. The revised plan will be announced in the fall and I look forward to sharing those updates.

I also want to thank everyone who shared their feedback in the **budget survey**. Again, we want to ensure that the community has voice in these important decisions. We are committed to transparency and you can find information about the [school board budget on the board website](#) that will continue to be updated.

This is an exciting time of year as schools host end-of-year events including concerts and graduations. I want to offer my sincere congratulations to all of our students on your hard work this year, and a special **congratulations to the graduating class of 2024**. This is an important milestone and a celebration of years of perseverance, commitment, growth and learning. Graduates should feel proud of all they have accomplished. I wish you all the very best for the future and hope you continue to cherish the memories you have made in this school.

I also want to acknowledge all of the many ways that you support your child's learning and our public education system as family members throughout the year, whether it's helping with homework, reading communications, making sure they're out the door on time or volunteering in the school. We recognize that this is a partnership and value the relationship with families.

As we wrap up the school year and look ahead to summer, I want to remind families:

- While report cards are shared online, families can request a printed copy through the school.
- The school board offers a number of **summer learning opportunities** for students in [elementary](#) and [secondary](#) school.
- You can also access links to [resources to support student learning](#) on the Board website to support summer learning.

I wish everyone a positive end to the school year and a safe, happy and enjoyable summer. We look forward to welcoming back returning students in the new school year.

Cindy Liang, Trustee, Richmond Hill Wards 3, 5 and 6

Indigenous History Month and Indigenous People’s Day

National Indigenous History month is a time to celebrate the diverse cultures of First Nations, Métis, and Inuit communities, as opposed to focusing on what has been done to them. The Canadian Government unanimously declared June as **National Indigenous History Month** in 2009 through a motion in the House of Commons. The month, which includes National Indigenous Peoples Day, is a perfect time to reflect upon the long relationship between the many different Indigenous peoples of Turtle Island and Canadians throughout history. For students and teachers, it is a good time to become better acquainted with the different First Peoples who share this land with us.

June 21 was declared **National Indigenous Peoples Day** in 1996 by then Governor General Romeo Leblanc. The day was chosen in consultation with some national organizations for Indigenous Peoples including the Assembly of First Nations and coincides with the summer solstice which is significant for some First Nations.

Indigenous and International Languages

Registration for September classes will open mid-July and close the third week of class. Remote learning will be in real-time using Google Classroom to deliver both synchronous and asynchronous learning opportunities.

Please see this [flyer](#) for more information.

Updated Message from York Region Public Health - Measles

Indigenous Self-Identification

The York Region District School Board is committed to First Nation, Métis, and Inuit students' success. We continue to support Indigenous students and work to provide a curriculum that facilitates learning about contemporary and traditional First Nation, Métis, and Inuit cultures, histories and perspectives among all students. To continue supporting self-identified students, the [First Nation, Métis, and Inuit Ancestry Self-Identification brochure](#) was updated in 2022. Current students can self-identify by completing [this form](#) and submitting it to the principal.

School Washrooms

Students are reminded that school washrooms are not to be used for social activities including eating. At the beginning of the year, we introduced school “zones”. The Green zones are areas where students may sit, collaborate, socialize and eat. Yellow zones are for collaborating and socializing. Red zones are spaces such as stairwells (walking through only) and washrooms (bio breaks only). The zones are for everyone’s safety in the school.

Personal Property

The school and the Board are not responsible for lost, damaged or stolen personal items. You can reduce the risk by leaving valuable items at home. Always secure items. More information can be found in the [2023-2024 Guide to the School Year](#).

Student Expectations in the Community

We are lucky to have positive relationships with community vendors. Many students enjoy eating lunch at the Costco food court. Costco has asked if students could please:

- purchase their food and leave once done eating
- use debit and credit as preferred payment methods (for speed of transactions)
- stay in the food court only unless entering the store with a membership card

Following these guidelines will ensure students enjoy continued access to the food court.

Bussing

Bussing is provided to eligible students through Student Transportation Services (STS). STS operates bus routes for students in JK-12 for both the York Region District School Board and the York Catholic District School Board. More information, including daily late bus reports, can be found at www.schoolbuscity.com. Please note, it is important that students ride **only on their designated route**. This is for everyone's safety and security.

School Start Up Forms

School start up forms were sent to families and students this week. Please see the [Resources and FAQs for families](#) for more information. Secondary students received the following message:

School Start-Up Forms (Message to Secondary Students)

Each year, we ask secondary school students to review important school and Board policies and to indicate that they have reviewed this information. Students are asked to [complete this form](#) online. If you have any questions about the information in the form, please speak with your teacher, principal or vice-principal.

It is important that all students complete and submit these forms as soon as possible at the start of the school year.

School Safety

Please be reminded that all visitors to the school must sign in at the main office and get a visitor tag. This tag should be clearly visible while in the building on business. Students are reminded not to bring guests anywhere on school property (indoors and outdoors) as well as to the library during school hours.

Attendance

Students are expected to be in their scheduled classes each period. If you sign your child out of school, they need to leave school property. This includes the library during school hours, as it is considered to be school property during the school day. Please do not give your child permission without calling and giving the office notice for them to be in the library during the day. If your child is going to be absent or away from any of their classes, please contact the Main Office **email is preferred** - richmond.green.ss.attendance@yrdsb.ca or by phone 905-780- 7858, press option 1. Please let us know your child's student number, full name and grade.

Notice From Richmond Green Library

In recent years, we have faced recurring challenges in our library washrooms, including issues such as vaping, eating, and disruptive gathering during school hours. Despite the diligent efforts of both the library and RGSS, it's hard to maintain continuous monitoring due to limited staff availability.

After a thorough review of the situations, the library and RGSS will start to implement new measures to address these concerns. Effective November 9, 2023, the library will enforce restricted access to the washrooms during school hours.

1. Locking washrooms: Both library washrooms will remain locked during school hours.
2. Key sign-out procedure: Students may obtain a washroom key by leaving their student cards at the service desk. Student cards will be returned upon key return. **Only one student is permitted at a time.**

3. Limited occupancy: A maximum of two users will be allowed to enter the same washroom simultaneously.
4. Reporting disruptions: Any disruptive behaviours observed will be reported to both the library and RGSS administration for appropriate action.

We hope these measures will help create a more conducive and respectful environment within our library facilities, and promote a better learning atmosphere for all RGSS students.
